

Methownet, LLC – Connecting the Methow Valley since 1995

Newsletter, December 2025

Where in the tarnation is my bill?

Now that our billing system moved into OCEC, we need to wait until electric bills pass inspection before the billing system generates invoices. Your internet invoice will post the first week of the month.

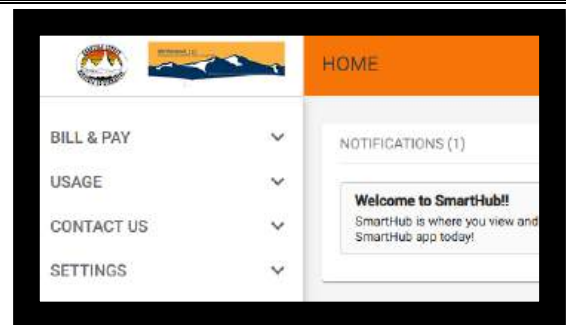

We Need You!

If you have not already done so, please update your autopayment information

Methownet LLC moved to OCEC Smarthub to lower our operating costs. Because the payment database moved, all autopayment details need re-entered.

OCEC electric customers - broadband account will automatically appear in your OCEC Smarthub account.

PUD electric customers – please create a new Smarthub registration at www.ocec.smarthub.coop for Methownet.

How-To Guides are posted on our website: Methownet.com → Bill Pay
